

# VEDA F1

- ❑ Vigorous compact plants
- ❑ Extra early with high yield potential
- ❑ Attractive yellow fruits with good gloss and mildly pungent

## HYBRID HOT PEPPER

# BOLD F1

Extra early hybrid, BOLD F1 produces abundant yields of attractive yellow horn shaped fruits that have good gloss. Thick pericarp provides good weight of fruits which are mild to medium in pungency. Compact plants with good vigor have dark green leaves and suitable for open field and net house productions.
